Examinations for Insurance Producers. Motor Vehicle Damage Appraisers and Claims Adjusters

In order to promote national uniformity, and to be more compliant with the National Association of Insurance Commissioners (NAIC) Uniform Licensing Standards, beginning October 1, 2017 Rhode Island is transitioning to a one-part exam for licensing of insurance producers, motor vehicle damage appraisers and claims adjusters, with one total score.

If an applicant fails one part of the current two-part scored exam, and s/he wishes to retake only the part that was failed, the re-take must be done prior to October 1, 2017. Starting October 1, 2017, there will no longer be an option to only take the portion of the two part exam that was not passed, and there are no exceptions.
